3 Features of
OR B I A

1. Well-structured body from sourness and sweetness

Two flavors of original in rice - sourness and sweetness amazingly matches well with heavy and savory dishes.

2. Balanced mildness and roundness

The sour taste and sweetness from rice becomes surprisingly smooth and mild, after being aged in an Oak Barrel.

3. Strong aroma from Oak barrel

Oak barrel used for wines gives Sake its unique fruity fragrance. Roasted inner barrel adds nuances of vanilla and honey inviting you to a deeper and richer taste.
